Greenpoint Technologies Delivers BBJ3

Kirkland, WA – January 11, 2013 – [Greenpoint Technologies](#), a premier VIP completions center for [Boeing Business Jets \(BBJ\)](#), delivers its 19th BBJ; a VIP BBJ3 to a confidential customer.

Greenpoint's engineering and design team partnering with design firm, [Strack and Associates](#), creates an elegant and majestic interior for the spacious BBJ3. The layout showcases multiple rooms and is equipped with the latest in wireless technology. The interior features stunning cabinetry with meticulous inlays and dramatic cove ceilings, all manufactured by [Odyssey Aerospace Components](#) in Denton, TX. Cheryl Strack, Strack and Associates CEO states, "This is one of the most intricately detailed interiors built and delivered while maintaining all functional parameters set forth by the customer. Greenpoint did an outstanding job bringing the design to reality. I am a proud member of the team that produced this beautiful interior."

Scott Goodey Greenpoint President and CEO describe the recent success, "We have a highly motivated group of professionals with unrelenting dedication to our customers. Five deliveries in the past five months show our ability to overcome obstacles and deliver on our promise." The BBJ3's complexity and detail sets the stage for their next program, a full VIP BBJ 747-8 completion inducting this month.

Greenpoint Technologies is a premier BBJ Completion Center, creating superior aircraft products and VIP completions exclusively for Boeing aircraft. Greenpoint provides turnkey VIP completions with an exemplary 98.9% on-time delivery rate during its 25 years of private ownership.
