Greenpoint Technologies Celebrates 25th Anniversary

Kirkland, WA – February 4, 2013 – [Greenpoint Technologies](#), a premier VIP completions center for [Boeing Business Jets \(BBJ\)](#), celebrates 25 years in business. Greenpoint's website features a new [video](#) for a closer look at the people and its products.

In 1988 Greenpoint began with two individuals, Jon Buccola (Chairman and owner) and John Broback (retired). Within a year the company grew to four, and continued to grow adding extensive engineering, certification and manufacturing capabilities. In 2013 the organization employs 350 people across multiple companies and has delivered 21 BBJ and Head-of-State completions and more than 250 modification contracts.

January 25th Celebration left to right: Mike Weisner, Sloan Benson (first 2 employees) and Chairman Jon Buccola

Greenpoint Technologies is a premier BBJ Completion Center, creating superior aircraft products and VIP completions exclusively for Boeing aircraft. Greenpoint provides turnkey VIP completions with an exemplary 99% on-time delivery rate during its 25 years of private ownership. The Greenpoint company umbrella encompasses all disciplines in-house from engineering and design to

manufacturing and installation of VIP interiors; enabling manufacture of heavy structure, VIP Cabinetry, as well as custom machined parts. The company embodies a continuous improvement culture reflected in its positive customer surveys and extremely low attrition rate. Strategic goals focus on the customer experience by incorporating quality, commitment and craftsmanship into every program. To learn more about Greenpoint Technologies, visit www.greenpnt.com.
