Greenpoint Technologies Receives Seattle Design Award

Kirkland, Wash. – 2 March 2017 – [Greenpoint Technologies](http://www.greenpointtechnologies.com) receives the 17th Annual Northwest Design Exotic Retreats Award for a Boeing 787-9 aircraft VIP interior called Azure.

Hosted by the Seattle Design Center, the ceremony aims to honor outstanding interior design in the region and recognize projects across a range of styles and spaces. The Exotic Retreats category includes designs for yachts, jets, and unique spaces or vacation sanctuaries that do not serve as a primary residence.

“The 787-9 Azure interior reflects the freedom of artistry, engineering and innovation. Greenpoint Design partners closely with Engineering to create these amazing interior (buildable) concept designs. This award represents a culmination of Greenpoint’s talent and our underlying spirit of teamwork,” affirms Greenpoint Design Director, Annika Wicklund.

The Greenpoint Design Team is also shortlisted in the International Yacht & Aviation Design Awards for their Crystal AirCruises™ 777-200LR interior design. Greenpoint recently won a contract for two (2) 787 V-VIP interior.
