Greenpoint Technologies Receives Boeing Performance Excellence Award

Kirkland, WA – April 22, 2013 – [Greenpoint Technologies](http://www.greenpointtechnologies.com), a premier VIP completions center for [Boeing Business Jets \(BBJ\)](http://www.boeing.com), receives a Silver Boeing Performance Excellence Award at the awards ceremony held on April 18th.

The Boeing Company issues the award annually to recognize suppliers who achieve superior performance. Greenpoint maintained a Silver composite performance rating for each month of the 12-month performance period, from October 1, 2011, to September 30, 2012. Greenpoint is in the top 11% of Boeing's rated suppliers to receive the Gold or Silver level Performance Excellence Award.

Scott Goodey Greenpoint President and CEO states, "We are extremely diligent about on-time delivery and quality requirements. This award represents our team's integrity to deliver excellence. In December 2012 we achieved a Gold rating for both quality and delivery. It's an accomplishment we strive for with all of our customers."

Greenpoint supplies interior products to Boeing for United States Air Force (USAF) programs.

Greenpoint Technologies is a premier BBJ Completion Center, creating superior aircraft products and VIP completions exclusively for Boeing aircraft. Greenpoint provides turnkey VIP completions with an exemplary 99% on-time delivery rate during its 25 years of private ownership. The Greenpoint company umbrella encompasses all disciplines in-house from engineering and design to manufacturing and installation of VIP interiors; enabling manufacture of heavy structure, VIP Cabinetry, as well as custom machined parts. The company embodies a continuous improvement culture reflected in its lean operations, positive customer surveys and extremely low attrition rate. Strategic goals focus on the customer experience by incorporating quality, commitment and craftsmanship into every program. To learn more about Greenpoint Technologies, visit www.greenpnt.com.
