GREENPOINT TECHNOLOGIES SIGNS LOI FOR A BBJ COMPLETION

May 21, 2007

Kirkland, WA

Greenpoint Technologies, Inc. (GTI) signs a Letter of Intent for a BBJ aircraft completion for multi-mission use. The aircraft is scheduled to re-deliver in late 2008 for an undisclosed customer.

GTI is an experienced Boeing Business Jet (BBJ) Completion Center which provides VIP aircraft interiors for Boeing airplanes. GTI incorporates in-house capabilities of interior design, engineering, program management, and certification for aircraft interior installations and modifications. Established in 1988, GTI has a history of VIP completions for multiple heads-of-state, leading corporations, and private individuals. Driven by its nimble customer-focused culture, GTI's strategic goals incorporate quality, commitment, and craftsmanship into every completion.
