Greenpoint Technologies Awarded 100 Best Companies to Work For

Kirkland, WA – June 14, 2012 – [Greenpoint Technologies](#), a premier VIP completions center for [Boeing Business Jets \(BBJ\)](#), receives recognition by [Seattle Business Magazine](#) as one of Washington's 100 Best Companies to Work for in 2012.

The 100 Best Companies Award recognizes organizational health and employee satisfaction via a third-party, anonymous employee survey. The survey investigates employee benefits, career development, incentives, corporate leadership style and overall workplace atmosphere.

“We are grateful for this recognition; it honors our team’s dedication and passion to providing exquisite aircraft interiors. We have never had a more committed and capable team of professionals and craftsmen,” testifies Sloan Benson Greenpoint Executive Vice President.

Greenpoint Technologies is a premier BBJ Completion Center, creating superior aircraft products and VIP completions exclusively for Boeing aircraft. Greenpoint provides turnkey VIP completions with an exemplary 98.9% on-time delivery rate during its 24 years of private ownership. The Greenpoint company umbrella encompasses all disciplines in-house from engineering and design to manufacturing and installation of VIP interiors; enabling manufacture of heavy structure, VIP Cabinetry, as well as custom machined parts. The company embodies a continuous improvement culture reflected in its positive customer surveys and extremely low attrition rate. Strategic goals focus on the customer experience by incorporating quality, commitment and craftsmanship into every completion. To learn more about Greenpoint Technologies, visit www.greenpnt.com.
