

PRESS RELEASE

GREENPOINT'S TEAM TAKES ON KAIZEN ATTITUDE

July 27, 2011

Kirkland, WA

Greenpoint Technologies partners with Aviation Technical Services (ATS) for kaizen event.

Earlier this month members of Greenpoint and ATS collaborated on efficiency improvements for Boeing Business Jet (BBJ) modifications. Greenpoint enlisted services from the preeminent consulting firm Shingijutsu USA to help train members on kaizen philosophy and facilitate the event. "The event was a great success," stated Adrian Osborn, Greenpoint's VP of Programs, "the week not only provided improvements to our process but has codified the partnership between ATS and Greenpoint – we are one entity working together to deliver high quality interior products to our customers."

For more information, please contact Christine Hadley at (425) 828-2777 ext. 7154 or by e-mail at chadley@greenpnt.com.

Greenpoint is an experienced Boeing Business Jet Completion Center providing VIP aircraft interiors for Boeing airplanes. Greenpoint incorporates in-house capabilities of interior design, engineering, program management and certification for aircraft interior installations and modifications. Established in 1988, Greenpoint has a history of VIP completions for private individuals and heads-of-state. Driven by its nimble customer-focused culture, Greenpoint's strategic goals incorporate quality, commitment and craftsmanship into every completion. Visit www.greenpnt.com/portfolio to see the latest videos of Greenpoint's Aeroloft™ and Aerolift™ products for the Boeing 747-8 aircraft.
