Greenpoint's Jon Buccola Receives Executive of the Year Award

Kirkland, WA – 7 February 2014 – [Greenpoint Technologies](#), a premier VIP completions center for [Boeing Business Jets \(BBJ\)](#), announces Chairman Jon Buccola named Executive of the Year by the [Pacific Northwest Aerospace Alliance \(PNAA\)](#), a non-profit organization geared towards growth and success of the aviation industry in the Pacific Northwest region of the United States.

Buccola received the award following Washington State Governor Jay Inslee's keynote address at the PNAA annual conference and excellence awards dinner in Lynnwood, WA. Nearly 300 companies from around the globe gathered to discuss changes in the aerospace industry. The Executive of the Year award recognizes Buccola's dedication to community service, company growth and developing a corporate culture which embodies the values of fun, integrity, teamwork, creativity, customer focus and giving back to the community.

"I appreciate this recognition by the PNAA. Their support of education in the aerospace field helps build our employment base. It's an effective lobby organization in Washington State," affirms Greenpoint Chairman Jon Buccola. Greenpoint initiated in 1988 with two employees and now employs over 430 companywide. Buccola has grown the Greenpoint culture into a thriving multi-company organization by adding extensive engineering, certification, manufacturing and heavy maintenance capabilities.
