Greenpoint Technologies Contracts Two 787 V-VIP Completions

Kirkland, WA – 9 February 2017 – Greenpoint Technologies signs a contract for two (2) 787 V-VIP interior completions with a confidential customer. Greenpoint’s extensive 787 engineering experience played a key role in this award. Greenpoint delivered the world’s first 787-8 V-VIP interior completion last year. This will be the company’s third 787-8 and the industry’s first 787-9.

“Our clients know the complexity of these programs and the challenges they present. Our on time delivery performance and over 315,000 hours of 787 engineering design and development experience assure our clients we will perform. We have the technological knowledge, experience and resources to deliver on our promise,” emphasizes Bret Neely, Greenpoint EVP. The V-VIP 787-8 and 787-9 interiors are designed by the Greenpoint Design Team in partnership with the Client.
