Greenpoint Technologies Exhibits at NBAA Booth #N2715

Kirkland, WA – October 17, 2013 – [Greenpoint Technologies](#), a premier VIP completions center for [Boeing Business Jets \(BBJ\)](#), exhibits at NBAA 2013's Business Aviation Convention and Exhibit in Las Vegas, October 22nd through October 24th, at booth #N2715.

Greenpoint actively pursues VVIP 787 completions. The company is in discussion with multiple customers and ensures a contract announcement before the end of 2013. The company's 2013 corporate goals focus on the 787 by gaining the experience and understanding to provide a competitive, completion solution. The team's dedication and nearly five (5) years of 787 research is finally coming to fruition.

NBAA is the first U.S. tradeshow for Greenpoint's 1/20th scale VIP 747-8 model exhibit. The model proves to be a showstopper as debuted earlier this year at EBACE in Geneva, Switzerland. Greenpoint's patented products, the Aerolift™ and Aeroloft®, are in the model and continue to entice interest. Sales for both products are forthcoming in 2014.
