Greenpoint Technologies Promotes Team Members

Kirkland, WA – 10 January 2014 – [Greenpoint Technologies](#), a premier VIP completions center for [Boeing Business Jets \(BBJ\)](#), announces promotion of [Mark Keilholz](#) to Vice President, Information Technology (IT) and [Annika Wicklund](#) to Director, Design.

Mark Keilholz joined Greenpoint Technologies in 2003. Since 2012, he led the IT department as Senior Director providing strategic direction and oversight of information systems. Mark's team of network administrators, software engineers and system developers align with all departments to support the company's infrastructure and growth.

Annika Wicklund joined Greenpoint in 2004 and led the Design department for the past six years as Design Manager. Annika's team of ten (10) specialized interior designers collaborates with their customers to develop unique and efficient solutions for interior architecture, aesthetics and functionality of business jet interiors.

Greenpoint President and CEO Scott Goodey affirms, "Promoting these individuals offers proven leadership and well-rounded experience to effectively lead their teams and serve our customers while meeting the challenges of our growing business."

Greenpoint Technologies is a premier BBJ Completion Center, creating superior aircraft products and VIP completions exclusively for Boeing aircraft. Greenpoint provides turnkey VIP completions with an exemplary 99% on-time delivery rate in over 25 years of private ownership. The Greenpoint

company umbrella encompasses all disciplines in-house from engineering and design to manufacturing and installation of VIP interiors; enabling manufacture of interiors structure, VIP cabinetry, custom machined parts and aircraft heavy maintenance. The company embodies a continuous improvement culture reflected in its lean operations, positive customer surveys and extremely low attrition rate. Strategic goals focus on the customer experience by incorporating quality, commitment and craftsmanship into every program. To learn more about Greenpoint Technologies, visit www.greenpnt.com.
