IMMEDIATE RELEASE

NEW PRESIDENT APPOINTED AT GREENPOINT TECHNOLOGIES

December 21, 2006 Kirkland, WA

Scott Goodey has been appointed President of Greenpoint Technologies, Inc. (GTI), located in Kirkland, WA. The announcement was made on December 7th during a company wide meeting held at the main office in Kirkland, Washington.

Goodey has been with GTI since 2002, as the Vice President of Program Management, and has over twenty years of aerospace industry experience. Goodey states, "We will continue to focus on our customers, adapting our business systems and processes to deliver products, services and solutions that provide maximum value. We will do this without sacrificing the demonstrated corporate values that have differentiated GTI; making it the 'employer of choice'". Goodey has been responsible for directing and overseeing all program activities at GTI for the past four years. "Our customers respect

Scott's knowledge and statesman-like demeanor. Most of all, he knows how to get it done," says Jon Buccola, GTI owner and CEO.

Greenpoint Technologies Inc. (GTI) is an experienced Boeing Business Jet (BBJ) Completion Center which provides VIP aircraft interiors for Boeing airplanes. GTI incorporates in-house capabilities of interior design, engineering, program management, and certification for aircraft interior installations and modifications. Established in 1988, GTI has a history of VIP completions for multiple heads-of-state, leading corporations, and private individuals. Driven by its nimble customer-focused culture, GTI's strategic goals incorporate quality, commitment, and craftsmanship into every completion.
