IMMEDIATE RELEASE

NEW EXECUTIVE VICE PRESIDENT APPOINTED AT GREENPOINT TECHNOLOGIES

December 21, 2006 Kirkland, WA

Sloan Ponomarchuk has been appointed Executive Vice President of Greenpoint Technologies, Inc. (GTI), located in Kirkland, WA. The announcement was made on December 20th during a company wide meeting held at the main office in Kirkland, Washington.

Ponomarchuk has been with GTI since 1990, and has been Vice President of Sales and Contracts since 2005. Ponomarchuk states, "We must continually raise the bar of organizational performance -- keeping one foot outside of our comfort zone."

Ponomarchuk heads a staff which supports highly visible projects such as the U.S. Air Force Military programs. "Sloan brings seventeen years of aviation experience along

with a strong leadership style to our company. She exemplifies the GTI Vision; Focus, Adapt, Deliver, in her dealings with our customers, and her team,” says Jon Buccola, GTI owner and CEO.

Greenpoint Technologies Inc. (GTI) is an experienced Boeing Business Jet (BBJ) Completion Center which provides VIP aircraft interiors for Boeing airplanes. GTI incorporates in-house capabilities of interior design, engineering, program management, and certification for aircraft interior installations and modifications. Established in 1988, GTI has a history of VIP completions for multiple heads-of-state, leading corporations, and private individuals. Driven by its nimble customer-focused culture, GTI’s strategic goals incorporate quality, commitment, and craftsmanship into every completion.
