Greenpoint Technologies Supports the Community

Kirkland, Wash. – 16 May 2017 – [Greenpoint Technologies](#), a Zodiac Aerospace Company, teamed with Rebuilding Together Seattle to restore a community member’s home on Spring Rebuilding Day 2017.

Over 40 Greenpoint employees and their families volunteered their time on Saturday, 29 April to renovate a local home for a widow, her daughter and grandson. Greenpoint volunteers spent the day completing landscape projects, installing hardwood flooring, and renovating the kitchen and bathrooms. The event marks Greenpoint’s 10th consecutive year as a Rebuilding Together Seattle sponsor.

“I look forward to Spring Rebuilding Day each year. Witnessing our value of community service in action is extremely rewarding. One day of service creates a significant impact for a family in need. Our team’s devotion and program management expertise helped us restore the home successfully and efficiently,” explains Greenpoint CEO, Scott Goodey.
