### **Greenpoint Technologies Contracts 787 VVIP Completion**

Kirkland, WA – 17 December 2013 – [Greenpoint Technologies](#), a premier VIP completions center for [Boeing Business Jets \(BBJ\)](#), signs a 787 VVIP completion contract with a confidential customer.

Greenpoint’s core strength centers on Boeing aircraft. The team’s 787 completion preparation spans the past seven (7) years by attending Boeing’s 787 symposiums and extensive examination of the aircraft’s revolutionary systems. This contract reflects Greenpoint’s 2013 corporate goal to obtain the knowledge and resource library to efficiently price and contract a 787 completion. “Our team’s dedication is apparent by the relentless commitment to understanding the 787’s systems and structure. As a ‘Boeing-only’ completion center, our sole focus is Boeing airplanes. Greenpoint’s team is unrivaled when modifying these aircraft,” proclaims Greenpoint President and CEO Scott Goodey.

The interior layout embodies a spacious living area with a stylistic decor. Greenpoint’s engineering and design team collaborates closely with the Customer’s designer, ensuring every detail reflects the aesthetic and operational requirements for this 787.

Greenpoint Technologies is a premier BBJ Completion Center, creating superior aircraft products and VIP completions exclusively for Boeing aircraft. Greenpoint provides turnkey VIP completions with an exemplary 99% on-time delivery rate during its 25 years of private ownership. The Greenpoint company umbrella encompasses all disciplines in-house from engineering and design to manufacturing and installation of VIP interiors; enabling manufacture of interiors structure, VIP cabinetry, custom machined parts and aircraft heavy maintenance. The company embodies a continuous improvement culture reflected in its lean operations, positive customer surveys and extremely low attrition rate. Strategic goals focus on the customer experience by incorporating quality, commitment and craftsmanship into every program.
