### **Greenpoint Aerospace Inducts Multiple Business Aircraft**

Denton, TX –17 February 2014 – [Greenpoint Aerospace, Inc.](#), an interiors refurbishment and maintenance, repair and overhaul (MRO) facility, inducts multiple business jets and turbo prop aircraft for maintenance and refurbishment upgrades at its hangar facilities in Denton, TX.

Greenpoint Aerospace inducts business jets for maintenance and refurbishment including a VVIP Boeing Business Jet 3 (BBJ3) for a minor interior refurbishment during the aircraft’s maintenance A-check. This is the first BBJ3 to induct into the company’s hangar facilities. Additional programs in progress are a Gulfstream III, receiving a heavy check and new paint; a Learjet 55, receiving a B inspection, new interior, entertainment system and new paint scheme; King Air 200’s, receiving heavy maintenance and paint; as well as a Citation 560, in for heavy maintenance, interior refurbishment and paint.

Additional projects include Pilatus avionic flight deck upgrades, interior refurbishments and Piaggio maintenance checks. The MRO will induct more aircraft later this month including a Challenger 604 for interior refurbishment and paint.

“We are excited to offer clients an all-inclusive list of services. The nose-to-tail interior and maintenance service complimented with an on-site paint facility covers every business aircraft owner’s desires. Our clients leave with nearly a new airplane from the inside out,” affirms Greenpoint Aerospace President Trey Bryson.

Greenpoint Aerospace, Inc. (formerly Jet Works Air Center) is a division of [Greenpoint Technologies](#). The company offers maintenance, repair and overhaul (MRO), interior refurbishments, VIP completions, aircraft painting, and avionics repair, upgrades and installation.
