Greenpoint Technologies Inducts Second VIP 787 for Completion

Kirkland, Washington – 18 August 2015 – [Greenpoint Technologies](#), a Zodiac Aerospace Company, inducts its second VIP 787 aircraft for a full interior completion.

The VIP 787 is at Greenpoint’s widebody facility in Moses Lake, Washington. The Greenpoint designed interior completion will take roughly eighteen (18) months to finish with delivery slated for early 2017.

“The 787 is a fascinating aircraft to modify. The sophisticated systems and composite structure offers a platform to further expand our team’s expertise. The entire Greenpoint team anticipates delivering the first 787s and seeing our client’s visions come to life,” states Greenpoint’s CEO Scott Goodey.

Greenpoint continues to stretch its capability while expanding into additional business jet markets.
