### **Greenpoint Technologies Delivery of V-VIP BBJ 787-8 to Kestrel Aviation Management**

Kirkland, Wash. – 18 July 2016 – Greenpoint Technologies delivered a Boeing BBJ 787-8 (msn 35309) V-VIP interior completion to an undisclosed private client represented by Kestrel Aviation Management. This is the first BBJ 787 V-VIP aircraft completed by both parties and presented at EBACE 2016 in Geneva, Switzerland.

Jon Buccola, Chairman of Greenpoint Technologies and CEO of Zodiac Aerospace's VIP & Business Aircraft Interior Division states, "This delivery represents an outstanding technical achievement for Greenpoint, despite the complexity and challenges of the 787. Our entire team is extremely proud of this amazing accomplishment and I personally thank each one of them for their dedication and endless hours to support this success."

Stephen Vella, CEO of Kestrel Aviation Management states, "Kestrel assisted the owner through original aircraft purchase through cabin design, cabin modification oversight through to delivery. This Kestrel curated BBJ 787 has set the bar for all future V-VIP widebody cabin modifications."
