Greenpoint Technologies Awarded 100 Best Companies to Work For

Kirkland, Wash. – 18 June 2014 – [Greenpoint Technologies](http://www.greenpointtechnologies.com) receives recognition by [Seattle Business Magazine](http://www.seattlebusinessmagazine.com) as one of Washington's 100 Best Companies to Work for in 2014.

The Award recognizes Washington companies with high employee satisfaction, strong leadership, robust benefits as well as a culture embracing innovation and career development. A third-party firm conducts the anonymous surveys to ensure accuracy and discretion. This is Greenpoint's 3rd year winning the award.

“Receiving this award reflects our deliberate action to protect our culture as we grow. We live our ‘Think Green’ code of conduct representing efficiency, honesty and accountability. It’s a culture that isn’t for everyone but attracts high achievers and those who expect more from their jobs,” states Greenpoint Zodiac CEO Scott Goodey.

Greenpoint Team Members at the Awards Event

Greenpoint Technologies is a premier Boeing Business Jet (BBJ) Completion Center, creating superior aircraft products and VIP completions exclusively for Boeing aircraft.
