Greenpoint Named One of the Best Companies to Work for in Texas

Denton, TX. – 28 March 2017 – [Greenpoint Technologies](http://www.greenpointtechnologies.com) is recognized as one of the 2017 Best Companies to Work for in Texas. The awards program is a project of Texas Monthly, the Texas Association of Business, Texas SHRM and Best Companies Group.

The statewide award recognizes and honors the top 100 places to work in Texas from employee feedback. Best Companies Group conducts a thorough assessment evaluating company policies, systems, philosophies, practices, demographics and employee satisfaction surveys.

“This recognition is a testament to Greenpoint’s values, code of conduct and people. I am proud to work on a team of such steadfast, passionate high achievers. Greenpoint thrives on a culture of continuous improvement and teamwork. It’s our people that make Greenpoint such a great place to work,” confirms Greenpoint Vice President, Trey Bryson.

Greenpoint is committed to providing the best culture and work environment for its team members. As a multi-state company, it is also identified by Seattle Business Magazine as one of Washington’s 100 Best Companies to Work for multiple years running.
