Greenpoint Named One of Washington's 100 Best Companies to Work For

Kirkland, Wash. – 29 June 2016 – [Greenpoint Technologies](http://www.greenpointtechnologies.com), a Zodiac Aerospace Company, is recognized by Seattle Business Magazine as one of Washington's 100 Best Companies to Work for in 2016.

Seattle Business Magazine's Annual Award salutes companies with remarkable employee satisfaction and corporate culture. Winners are determined by employee survey responses submitted by several hundred nominated firms, and are scored on categories such as communication, executive leadership, workplace environment, benefits, training programs and more. This is Greenpoint's fifth year receiving recognition as a 100 Best Company.

"We are extremely proud to be recognized as one of Washington's 100 Best Companies to Work for. Greenpoint thrives on a culture of continuous improvement, teamwork, efficiency, accountability and transparency. Our team's dedication and hard work is the foundation for our historical success, and I am grateful to be part of this high achieving group," proclaims Greenpoint Executive Vice President Bret Neely.
