Greenpoint Technologies Renews AS9100 Certification

Kirkland, Wash. – 29 May 2015 – [Greenpoint Technologies](#), A Zodiac Aerospace Company, renewed its AS9100 certification after a four day Surveillance Audit at their Kirkland headquarters.

AS9100 Certification is an aerospace industry benchmark that ensures an organization implements a quality management system for its processes, products and services. This achievement clearly demonstrates Greenpoint’s robust systems, culture and aspiration for continuous improvement. The third party auditor identified many good practices and strengths, commenting on Greenpoint’s excellent quality management, companywide communication and efficiency.

“This is a tremendous accomplishment. We are proud of our team for displaying our culture and obtaining positive results through effective activity,” states Greenpoint CEO Scott Goodey.
