

## PRESS RELEASE

### GREENPOINT TECHNOLOGIES NAMED ONE OF THE BEST 100 COMPANIES TO WORK FOR IN WASHINGTON

May 17, 2007

Kirkland, WA

Greenpoint Technologies, Inc. (GTI) has been named one of Washington's Best 100 Companies to Work For by *Washington CEO Magazine*. The overall rankings will appear in the magazine's July issue in four categories – large, medium, small and non-profits.

"The companies included in the list have demonstrated that they value their employees and their contributions to overall success," said Bob Ritter, publisher and chief executive officers of the magazine. "Our evaluation is extensive. It included surveys of both employees and management and review by a distinguished group of human resource professionals."

*Washington CEO Magazine* covers business and economics on a statewide basis. It publishes 13 issues annually with reports on business and industry and public policy issues that impact the state's economy. Its mission is to provide "essential perspectives for Northwest Decision Makers."
