**GREENPOINT TECHNOLOGIES DELIVERS 15<sup>TH</sup> BBJ**

October 20, 2008

Kirkland, WA

Greenpoint Technologies, Inc. (GTI) announces the on-time delivery of their fifteenth (15<sup>th</sup>) BBJ.

Delivered to a private individual, this program includes the engineering and certification of multiple configurations, all designed to accommodate the client's requirements.

"The program was executed in a manner that exceeded the client's expectation in every way – quality, service, schedule and budget," says Senior Director of Program Management, Pete Schneider. "GTI is proud to have completed this program in a manner that is rare in the industry."

GTI inducts their sixteenth (16<sup>th</sup>) BBJ in the fourth (4<sup>th</sup>) quarter 2008.
