IMMEDIATE RELEASE

NEW CHAIRMAN APPOINTED AT GREENPOINT TECHNOLOGIES

December 21, 2006 Kirkland, WA

Jon Buccola has been appointed Chairman of Greenpoint Technologies, Inc. (GTI), located in Kirkland, WA. The announcement was made on December 7th during a company wide meeting held at the main office in Kirkland, Washington.

Buccola, co-founder of GTI in 1988 has been the CEO and President since 1995.

Buccola has grown the company significantly, building a dynamic corporate culture providing high quality, custom VIP aircraft interiors. Buccola states, "We have reached a maturity and level of expertise that does not exist in companies many times our size.

We have developed an unprecedented level of teamwork and 'can do' spirit that provides the best for our customers." Buccola will focus his attention, with GTI's board of advisors and senior management, to plot the strategic planning for the company.

Greenpoint Technologies Inc. (GTI) is an experienced Boeing Business Jet (BBJ) Completion Center which provides VIP aircraft interiors for Boeing airplanes. GTI incorporates in-house capabilities of interior design, engineering, program management, and certification for aircraft interior installations and modifications. Established in 1988, GTI has a history of VIP completions for multiple heads-of-state, leading corporations, and private individuals. Driven by its nimble customer-focused culture, GTI's strategic goals incorporate quality, commitment, and craftsmanship into every completion.
