IMMEDIATE RELEASE

NEW SENIOR DIRECTOR OF SUPPLY CHAIN MANAGEMENT APPOINTED AT GREENPOINT TECHNOLOGIES

February 1, 2007 Kirkland, WA

Dale Linder has been appointed Senior Director of Supply Chain Management for Greenpoint Technologies, Inc. (GTI), located in Kirkland, WA.

Linder has been with GTI since 2006, and has over twenty-two years of management experience in aircraft systems and subsystems. Linder states, "One of the goals for the Supply Chain Management department this year will be to work closely with our strategic suppliers to provide more timely and accurate updates on parts status and tracking. We are also looking forward to the implementation of our new ERP system – Dynamics AX later this spring."

Greenpoint Technologies Inc. (GTI) is an experienced Boeing Business Jet (BBJ) Completion Center which provides VIP aircraft interiors for Boeing airplanes. GTI incorporates in-house capabilities of interior design, engineering, program management, and certification for aircraft interior installations and modifications. Established in 1988, GTI has a history of VIP completions for multiple heads-of-state, leading corporations, and private individuals. Driven by its nimble customer-focused culture, GTI's strategic goals incorporate quality, commitment, and craftsmanship into every completion.
