Greenpoint Technologies Exhibits at EBACE

Kirkland, Wash. – 20 April 2017 – [Greenpoint Technologies](#) exhibits at the European Business Aviation Convention and Exhibit (EBACE) in Geneva, Switzerland, 22 through 24 May at Booth #L71.

Greenpoint's booth design will focus on the global exploration of the Crystal AirCruises™ 777-200LR. Once complete, the aircraft will transport guests aboard this private jet to fascinating lands crafting a personal, unstructured itinerary in each iconic destination.

Crystal AirCruises™ Lounge and Bar (FWD)

Richard Ziskind, Crystal AirCruises' Vice President and Managing Director speaks about his experience. "Greenpoint continues to exceed expectations with their attention to quality and overall communication. We have full confidence in the team and especially the open communication of program leader, Justin Morigeau. Justin is transparent. He raises issues that need to be addressed and offers solutions. I trust the Greenpoint Team to deliver on time for Crystal's commemorative first flight."
