Greenpoint Exhibits with Zodiac Aerospace at NBAA in Orlando

Kirkland, Wash. – 24 October 2016 – [Greenpoint Technologies](http://www.greenpointtechnologies.com) co-exhibits with parent company, Zodiac Aerospace, at the National Business Aviation Convention & Exhibition (NBAA) in Orlando, Florida, 1st November through 3rd November. **Booth #2276** will feature Greenpoint's award-winning Azure 787-9 VIP interior design (1/20th scale interior model) as well as Zodiac Aerospace's various mockups and product displays for business aviation.

Currently, Greenpoint Technologies is completing its second VIP 787-8 scheduled for delivery next year and Crystal AirCruises™ 777-200LR which will also enter service in 2017. Greenpoint is preparing for its next program focusing on interior design, engineering development and planning. The program will be announced before the end of 2016.

The Greenpoint Aerospace team is performing maintenance and upgrades on multiple business jets and turbo props. Greenpoint continues to invest in advanced training for its Part 145 Challenger service authorization supporting nose to tail maintenance and upgrades. The company focuses on Challenger, Learjet, Gulfstream, Beechcraft, Citation, Pilatus and Piaggio aircraft in the U.S. and South America.

Zodiac Aerospace will showcase many interior offerings customized for business aviation. The company supplies interior components for all aircraft manufacturers, with a strong presence on every new platform. Zodiac Aerospace is supplying systems and seats on Greenpoint's 787-8 and 777-200LR completions.
